## **John Wieland Now Open for Sales at Paces Walk in Cobb** *New Townhomes in Prime Location 2 Miles from I-285*

ATLANTA, GA – John Wieland Homes and Neighborhoods announces the opening of onsite sales at Paces Walk, the builder's newest offering of luxury townhomes in an ideal Cobb location just 2 miles outside I-285 on Atlanta Road. Originally planned by another developer, the site that is now Paces Walk sat idle for some time after the failure of its original developer until John Wieland was chosen as the best builder to complete the project. Now, construction is well underway on the first new John Wieland townhomes in this intimate, gated neighborhood.

Located just minutes from Vinings or recreation along the Silver Comet Trail and walking distance from the restaurants and shops of Wieland's successful and iconic One Ivy Walk, Paces Walk offers another great opportunity for home buyers to enjoy the best in city living without the high taxes and congestion. Luxuriously appointed townhomes feature distinctive exteriors and spacious open floorplans great for entertaining ranging in size from approximately 3000 to more than 5300+ square feet. Select homes at Paces Walk will even enjoy balcony views of the city skyline. In addition, all new John Wieland townhomes are protected by the exclusive Wieland 5 Year – 20 Year Warranty, homebuilding's best. Initial pricing at Paces Walk ranges from the \$300s to the \$600s.

The sales and information center at Paces Walk is open daily. For more information, visit [jwhomes.com/paceswalk](http://jwhomes.com/paceswalk) or call the neighborhood's Licensed Sales Professional, Adrianna Angelone, at 770-805-8392.
